

May 2022 War Powers Resolution

Dear Friends,

Since 2015, the U.S. has been funding, arming, and providing logistical support to the Saudi Monarchy as it wages a brutal war against the Yemeni people. This is a clear violation of Article I of the Constitution and the War Powers Resolution of 1973, which grants Congress the power to declare war and authorize US military involvement.

As a candidate, President Biden [pledged](#) to end support for the war in Yemen while many who now serve as senior officials in his administration have [repeatedly called](#) for shutting down precisely the activities the US is engaged in.

Recently, Rep. Pramila Jayapal and Rep. Peter DeFazio published an article in the [Nation](#) announcing their intention to submit and pass a new War Powers Resolution which would re-affirm congresses control over declarations of war and use of military force.

Call your representatives today and urge them to stand with Rep. Pramila Jayapal and Rep. Peter DeFazio and end U.S. involvement in the Yemen war.

Rep. Chellie Pingree (CD-1)- (207) 774-5019

Rep. Jaren Golden (CD-2)- (207) 241-6767

Sen. Susan Collins- (207) 647-622-8414

Sen. Angus King- (207) 622-8292

Thank you for your continued support and action,

The team at Peace Action Maine (with a nod to sister NH PA)
