Dear Friends,

We would like to invite everyone to our next event entitled "Nukes, Climate Change, and Black Lives Matter: What's the Connection?" It will be held at 8pm New York Time on October 20, 2020. The NYU IR Society, Peace Action New York State, Zero Hour NYC, Peace Boat US, Pathways To Peace, and The Prospect Hill Foundation are the additional co-sponsors.

In the run-up to our event, we are featuring "The Nuns, The Priests, and The Bombs," a documentary film by Helen Young that follows a community of peace activists, including two Catholic nuns and a Jesuit priest in their eighties, who are willing to go to prison, and even risk death, because of their deeply held conviction that nuclear weapons are immoral and violate international humanitarian law.

Helen will be at the event to discuss her film!
